2024 Inter-Primary Cricket Competition Weekly Review

2024 Inter-Primary Cricket Competition begins under heavy skies

The 2024 Inter-Primary Cricket Competition began this past Friday with a number of games being abandoned due to heavy rains, which ironically arrived around the time the first ball in the new season was bowled. Despite the weather, some games went ahead.

The 2024 competition runs from April to June with 13 participating schools that are divided into two zones (Zone A and B) in the girls' and boys' leagues. Games are 12 overs with each bowler restricted to bowling three overs. Field sizes are roughly half a football field and teams consist of 11 players. Games are played on Friday afternoons starting at noon (girls) and 1:00 p.m. (boys) at various primary school venues.

Cayman Prep A are defending girls' and boys' league champions.

The Inter-Primary Cricket Competition is organised and coordinated by the Department of Education Services, the Department of Sports and the Cayman Cricket Association and sponsored by Caribbean Utilities Company, Ltd. (CUC).

Schools in Zone A in the girls' and boys' league include Cayman Academy, Cayman Prep B, Edna Moyle Primary, East End Primary, Prospect Primary, Red Bay Primary and newcomers Island Primary. Zone B in the girls' and boys' league consists of Cayman International School (CIS), Cayman Prep A, Marie Martin Primary (formerly George Town Primary), Theoline L. McCoy Primary, Joanna Clarke Primary, Sir John A. Cumber Primary and St. Ignatius Catholic.

Results from the first day of competition included:
